Again the catalog must be a brief price list. And I must make my bow to new and old customers as more unaccommodating than ever. Because of a late spring and labor conditions, no shipments can be made this year before July 5th. Southern customers may have orders reserved for September and send me the money at that time if they prefer. Because of the higher postal rates, no C. O. D. orders can be accepted and no order for less than \$2.00. If you don't want that much, perhaps you can find a friend or neighbor to order with you.

## Terms of Sale

**Guarantee**—My plants are guaranteed to be true to name, and vigorous and healthy when you receive them. If not satisfactory, return them immediately upon receipt. Your money will be cheerfully refunded. No adjustment can be made on stock not returned at once.

**Stock**—Daily shipments are made of plants freshly dug from my own garden. These plants are acclimated to dry summers and changeable winters and should be vigorous and hardy anywhere.

**No Substitutions**—No substitutions are made unless requested by the customer. If a variety is sold out, your money is refunded immediately. No requested substitutions can be made in collections.

**Terms**—Cash with order. No C. O. D. orders accepted. Kansas customers will please add 2% sales tax. No order accepted for less than \$2.00. Postage and express prepaid on all orders.

**Discount**—A 10% discount will be allowed on all orders, except collections, received and paid for before July 1st.

**Shipping Dates**—Shipping will begin July 5th and will continue until late autumn.

## Fourth of July Special

There are a number of rows of some of the better varieties in the Bargain List which I must eliminate to compress the extent of the iris garden. These plants will be **FREE** on the Fourth of July **ONLY** to anyone who comes to dig them. They are varieties that I would ordinarily sell wholesale but do not have the labor or the time to prepare them for sale.
